

TIPS FOR RIDING

- Link Paratransit is an origin to destination demand response paratransit service. Operators may assist customers to the front door as long as they are within the line of sight of their vehicle. Link Paratransit vehicles cannot be left unattended.
- All customers are strongly encouraged to wear seatbelts. Wheelchair customers will wear a lap belt. Child car seats are not provided, customers must provide their own child car seats. Link Paratransit operators can assist up to 25 pounds.
- Any other additional assistance will require the use of a personal care attendant (PCA).
- Space is limited, so limit yourself to five (5) packages, that you can carry.
- Just like the bus, Link Paratransit operate on a schedule. Your 30 minute window is 15 minutes before or after the time requested for pick up. Link Paratransit operators will only wait five (5) minutes and drive on if the customer is not ready.
- Subscription Service—For customers that have a regular travel pattern, subscription service is available on a limited basis. This puts customers on a regular schedule, so you do not need to request every trip individually. Link Paratransit can only accommodate a limited number of subscription requests. Please call us for more details on this service.
- Customers with service animals or traveling with a respirator or portable oxygen supply are welcome on Link Paratransit.
- Remember—Link Paratransit is a shared ride experience. You may have other customers on the same bus as you.

TRIP CANCELLATIONS

If your travel plans change, we request that you call in to cancel within two hours of your arranged pick up time. If we don't receive a cancellation call, you will receive a no-show for the missed trip.

If we receive your cancellation call less than one (1) hour, it will be noted as a "late cancellation". Because the service is so important to so many people, we must enforce a suspension for abuse of our service. The overall rate for no-shows and late cancellations will be considered to determine if there is a pattern or practice for excessive no-shows/late cancellations. **Please review the Link Paratransit Rider's Guide for more details.**
